“ .All of us here at Dickey's can truly say that Tillman was always a welcomed sight. HE never failed to brighten the day, not only for the barbers, but for the other customers who came in and visited with him while he was in the shop. We will miss his stories, his positive outlook on life, and above all his genuine sense of caring. Many has been the time over the last 20 years that people would comment, "Wow, that man must have been here in Sugar Land along time." Lots of people who never knew Tillman knew who he was. He LOVED to visit, and we LOVED him. Of course we will talk of him and tell stories of him and by him. And we will smile and we will laugh. Above all we will be glad that he chose to come see us at Dickey's. Forever in our hearts, Mr. Dickey, Jeannie, & Squeaky
