“ My husband Jody and I were so very saddened and shocked to hear of Tim’s passing. He was known as simply “Mikolas” back in the days of street rods in the mid 1970’s. He befriended my future husband as soon as he arrived from Houston with his ‘69 Camaro, to join the Sonic hot rod scene. My husband said Mikolas was always warm and welcoming to him, even though he was an outsider. We moved away to the Austin area in ‘83 and were so fortunate to see Timothy at several events in the last 6 years. Even if it was 30 years gone by, it was as if we were back in 1973. Tim was still the same, warm, friendly and caring person...a friend for life kind of guy. To his daughters, my sincere condolences on the loss of an irreplaceable kind of dad. To My high school friend Helen, deepest sympathy on the loss of such a special person who came into your life . We will think often and so very fondly of “Mikolas” and of days gone by. We are so fortunate to have known him. He’s reached the finish line. May he Rest In Peace. Amen.

“ Tiffany, Corey, Kaylee and Helen. I am so very sorry for your loss, words cannot express the sadness you are feeling. I will always remember Tim's smile and his "People" personality. I swear he could talk the bark of a tree! I believe the best tribute to Tim, is to carry forward in each of our lives is Tim's zest for life.

“ Dearest Helen,
We are truly sorry to hear of Tim's death. Please accept our condolences. I can not imagine the terrible loss you have suffered. I know Tim was a loyal and wonderful companion to you all these many years. I wish I could say something that would take away the pain. May you find peace in knowing that Tim Mikolas loved you more than anything in this life and I hope you always feel surrounded by his love and memories of these past 9 years. May our prayers and all the rosaries you said for Tim help comfort you and hasten the journey of Tim's soul to Heaven.

My heart also goes out to Helen. I'm sorry and I know you are grieving like we all are. But Pat...to say "Tim loved any one person more than anything in his life"...is simply not true. By saying that, you are discounting his parents, his sister... that he lost too soon, his buddies... a great group of men that have been there for him since elementary and high school, to present! It is also discounting his wife, Sandy, his in-laws, cousins and extended family! It is especially discounting his amazing daughters and awesome son -in law! I truly believe he cared very much for Helen, but I think if you narrow it down to his "everything"... it would be not one person, but two... his daughters! All due respect... His life was full because of everyone in it, Helen included, But his girls are his legacy! Please don't assume you knew his heart. Again... Helen ... I'm sorry for your loss, in the passing of a great man, a friend and companion! Finally...Rest In Peace Tim... the battle is over! God bless all those he loved And grieves for him! Mighty Fine!!! Love you brother!

“ OMG the memories are flooding back starting in 1975. Sitting at "the corner", the hot rods, the dances, hanging out at the river. Everyone was there...Tim, Billy, Clark, Dennis, Tim, Shane, Lynn, Tina, David, Wesley, Kenny, Angie, Gary, Curtis, etc etc...so many names and so many good times.

To his daughters I'm so glad your dad was part of a wonderful time in my past and many others.
