My dear friend Troy and I were in band together back at Terry High. I was heartbroken to hear of his passing. But on a brighter note, I never knew a more jolly, care-free, happy person than Troy. He absolutely loved and enjoyed his life to the fullest! Kent Spacek

“ Troy Kettler.

This morning I learned this world has lost a great man, Troy Kettler. I got to know Troy through the RC hobby he loved. Troy was an RC Racer at our SB Hobbies race track. Troy quickly became part of the family. When Troy showed up to the track he wasn't just there to race. He always took time and talked with anyone intrested in racing and supported our track any way he could. In a hobby involving racing, rivalries, fueds and disputes are common but not with Troy. He was a competitor for sure but most importantly he was a gentle and kind man and was loved by all his friends, fellow competitors and especially my family.

Rest in peace my friend. You will be dearly missed.

“ I saw the obituary for cousin Troy and gasped. He was so young. He took such good care of Aunt Georgie. I didn't know cousin Roy Allen had passed earlier. May they both rest in peace in Heaven.
