“ *We will miss one of the best ladies on earth. She will be missed by everyone @ The Corral Western Wear Rosenberg. She came in every Friday morning rain or shine. We bought lots of pickles, okra, and beets from her. There will never be another person to make pickles like her. She would come in and visit or just to check on my daughter Jenna, that has been sick for years. She was always trying to help someone. She was family to everyone that knew her. We will all miss seeing our back door to the store open and in she would walk every Friday. Now we know she will be making those good pickles in heaven, can't wait to see her again. Love,*
