“ *Vadonna was my Aunt and I loved her dearly. She made my childhood happy, silly and fun. Aunt Vadonna would put my hair up with a sparkly clip and enough Dippity-Do to keep my hair in place for 4 days! Vadonna was always smiling and giggly!!! She made life so happy and I will miss my calls with her and our time to share family stories. I don't believe that I ever heard a cross-word from her---she was the best person I ever knew ! We should all be more like her!*

“ We remember Vadonne and Al sitting in the back seat of our car as we were taking them back to their hotel following the rehearsal dinner before Shannan and Gregs' wedding. We managed to get lost at Disneyworld and kept on arriving at the same exit on the expressway. Cathy and I were getting more and more upset about getting lost so late at night.....until...VaDonne piped up from the back "I never knew that getting kidnapped could be so much fun!!" That broke the ice on a moment that had be getting more tense by the second. We all laughed and immediately found our way to the correct hotel.
