“ *We. Vallie's NHS classmates, remember her as a good, congenial student whose very pretty face graced the pages of their yearbook as "Annual Queen", her "smart-stepping majorette style", a hardworking class reunion member, and an annual active Lady Jay attendee. Her large family remember and mark in their "Memory Albums" the scrumptious hosting she offered them during the special gatherings in her home. Dear Family, add this to all the other wonderful qualities your Vallie had. As you reflect, may the God of peace and comfort be with you all!*
