“ *Van was a great neighbor and friend I live down the street from him for years he was always a great neighbor always had good advice and always will to talk about any and everything.
It going to be hard to pass by and not see him sitting on the porch, but in my head he will still be there and I will never stop looking over there for that smile and wave.

“ *To Sherry & Family*

We extend our thoughts and prayers to you and your family at this time. Van had a huge impact on our family and in our lives and will be deeply missed. Van had his little catch phrases like, its none of my business But? and let us not forget about the the prettiest rose in the garden. We always knew when one of the prettiest rose gave the signal it was time to come home,he knew it was time to do so. I believe God gave his signal to servant Van it was time to come home for the for the final time leaving us to question why. But as it has been written for us not to put a question mark where God has put his period. So, to my brother as we always said brother from a different mother May You Rest In Peace. Love Always Cindy and Mr. Bill Dittfurth
