“ *Andrea, Sandra and Rachel,  
I knew your mother as a kind, ready to help person. She was in the right line of work as a nurse and cared for many sick people including my own grandfather.  
May she rest in peace and may God be with you three girls. My thoughts and prayers have been with you and the family!

“Wow we grew up together at Polly Ryon as nurses. So sorry to hear if this passing. We had so so much fun. One good memory was when she was driving the ole brown two door car. It did not have a horn so we were at the stop light and this person screams. I looked over and it was Veronica. She told me the next day about her car not having a horn she she had to yell at me. She was a such a good person. Loved her girls!! Rest In Peace!!

“Veronica, I was devastated when I opened up the paper and saw your picture. You saw me grow up as a HOSA student at the age of 15 at Polly Ryon and you taught me the value of friendship and loyalty to all patients and people that I came across. You were an awesome mentor to me and for that I will always love you. You were my inspiration and I am so glad that we kept in touch throughout the years. My heart hurts for your family. RIP in peace sweet nurse.
