

## Victor August Pekar

June 27, 1941 - July 27, 2014

Victor August Pekar was born June 27, 1941, and passed away July 27, 2014.

He was preceded in death by his parents, Joe and Lola Pekar of Damon.

Victor is survived by Jimmie Pekar, beloved best friend of 23 years; children, daughter Natalie and husband Wayne Parker of Sugar Land, son Marlon Pekar and wife Kathleen of Damon; step-son Keith DeWitt and grandchildren Mary Katherine and Luke Parker, Austin Smith and DD Blomstrom, Brandon and Rainy DeWitt; and siblings Marty Weeks, Marcella Mushrush, Anthony Pekar and Edmund Pekar.

Victor graduated from Needville High School in 1959. He received his B.B.A. from Sam Houston State University with a Minor in Drama and he was a fantastic Elvis impersonator! He was a senior insurance adjuster for more than 25 years.

Victor was a member of the DON Fraternity and KJZT. He loved classic Ford cars and was a member of the Houston Classic Thunderbird Car Club. He also enjoyed traveling the country with family and friends to attend car shows.

Victor was quite the character, as many of you know. He was a hell-raiser, and loved pretty women and scotch. He had a very creative mind and was a gifted

painter. His heart was kind and he was a devout Catholic who served The Lord.

A rosary will be held at 9:30 a.m., followed by a funeral mass at 10 a.m. Saturday, Aug. 2, 2014, at Sts. Cyril & Methodius Catholic Church in Damon. In lieu of flowers, the family asks that donations be made to the church.

“ A couple of years ago I'd visit my Dad at the Needville nursing home.  
Joe would usually greet me at the front door...always cheerful. And if I was lucky, Victor would be there visiting Joe. We'd sit on the front porch and Victor told some strange and interesting stories. Whether they were true or not didn't matter...like when he was hit by lightening and when he saw an alien space ship. I'll never forget how much I enjoyed these gab sessions  
God bless him and his family

“ It is hard to express the many memories that are running through my mind when I learned the passing of victor. A few are his cars, the senior play and the French beret, football and band uniform changes at half time, and having the same birthday. Victor was loved by all of his 1959 needville high classmates. We will all miss him. Rip dear friend.

“ Marlon, you know as well as I do that we should have been growing up in the 50's. Your dad and mine cruising around in extra cool cars without a care in the world. Your dad gave us that time, and I'm very appreciative of that. I will really miss your dad. My condolences to you and your family. If you need anything, just call me.

“ Yeah, he definitely was one of kind, and will remain in those crazy stories we all share of "back in the day."  
He was the one who got me interested in photography and I wanted my own camera, he was the one you could fill up the Sam Houston State auditorium with his yelling "Stella" you know the play, and he is the only guy I know who ever got a speeding ticket GOING IN REVERSE down the main street in Needville. Damn he had a lot of fun, and damn he WAS a ton of fun. RIP, Victor.

“ Victor was a true original - part ne'er-do-well, part devil-may-care, part in-your-face - but never mean-spirited or harmful toward others. It's been years since we last talked at a NHS reunion, but I won't soon forget him. RIP, Victor.
