“ Growing up together, the four of us were thick-as-thieves – riding around the neighborhood on our bikes, climbing trees, walking to the library and going to the movies during the summer months, traveling together with our parents, Friday night football games, and of course, the Saturday night mischief (I’ll leave that untold)...

As adults, our lives took us in different directions but those memories remain special to me and my sister.

Virgie, your kind-heartedness and laughter will be missed...Much love to the Luna family (my second childhood family)...

Eva (Bebe) Macias Clark*

“ Mrs. Virginia, you will forever be in our hearts. I'm not even sure how to say goodbye to you but I know every time I walk into our cafeteria it feels like we are missing something. That something is YOU!!

I miss your smiling face and your beautiful voice greeting me every time I come up to FBCA. I miss how much You loved my kids with all of your heart like they were your own. I miss how you served us all food with love and always made sure my kids were ok. But what I will miss the most and my favorite part of you was the after work support you always put in. You never failed to come and support the FBCA kids at their events. You came to everything from Football games to Basketball games and even attended their plays. You were family right their cheering the kids on and praying for their success with us. That's where this picture came from. It was the last program you attended. I'm so thankful I snapped this picture of you with our son! You will forever hold a special place in my heart! We love you Mrs. Virginia!!
