“ Joe and family,
I wish we were still across the street so I could give you a hug and tell you face to face how much you are in our thoughts and prayers. You and Virginia were such an inspiration to me in the way you cared for and loved each other. The visits we enjoyed in the yard and on the driveway will forever be remembered. We were blessed to have you as neighbors and friends. Rub Misty's ears for me. I know she will miss Virginia, too. Know that you and your family are being lifted in prayer asking for strength and comfort for this very difficult time. With love, Larry and Carolyn
