“ We are profoundly saddened by the passing of Viring Norcio, a dear friend and neighbor, who passed away peacefully at 90 years old. From my earliest memories, Viring was a pillar of strength and a source of unwavering kindness in our lives.

Viring began her career as a devoted elementary school teacher, instilling knowledge and values in countless children. Yet, it was her selfless dedication to family that truly defined her later years. She stepped into a maternal role for her sister Aure's two sons, guiding them with an unwavering hand and boundless affection as they grew into responsible young men. Today, those boys are successful medical doctors, a testament to the profound impact of Viring's love and sacrifice. Their heartfelt gift of an automatic mahjong table set brought her immense joy, a symbol of their enduring gratitude for her pivotal role in their lives. She spent many happy hours around that table, sharing her vibrant spirit and love of the game.

Viring lived her life fully, always sharing her infectious zest for living with everyone around her. Her warmth, generosity, and genuine love for people touched countless lives. She leaves behind a legacy of selfless devotion and enduring love that will forever resonate in our hearts.
