

Virginia (Ginger) Eastwood Pawlak

August 23, 1953 - December 6, 2017

On December 6, 2017 I lost my wife and my very best friend, Virginia (Ginger) Eastwood Pawlak. For 4 years she battled colon, liver, lung and brain cancer and finally succumb to the disease in her home surrounded by her family. She was born August 23, 1953 in Edinburg, Texas to Carl and Marion Eastwood.

Ginger is survived by her mom Marion Eastwood, husband of 30 years, Ben Pawlak, son, Brad Pawlak and his wife Kelly. Grandchildren, Hope Pond, Megan Pond, Brayden Pawlak. Brothers Milton Eastwood and wife Sally, Jimmy Eastwood and wife Denise. Sisters Mary Perry and husband Kevin, Linda Johec and husband Ron. Along with numerous nieces, nephews, aunts, uncles and cousins.

Ginger moved with her family to Rosenberg, Texas in 1968 and graduated from Lamar Consolidated High School in 1971. She attended Wharton County Junior College and University of Houston majoring in accounting. She spent her entire career in the home building industry holding several positions as CFO and Vice President at General Homes, Gemcraft Homes, David Powers Homes, Ashton Woods Homes, RBC Builder Finance and First Continental Mortgage. She was very active with Holy Rosary Catholic church singing in the choir, alter society and the Catholic Daughters of America.

After her marriage to Ben it began a long list of travelling accomplishments.

This included fishing, hunting camps, having done every cruise offered out of Galveston and Florida, toured and camped at every state park in Texas when there was 131 Texas State Parks and then began the quest of touring every state in America while getting to complete 27 states to this point. She also loved her annual fall "sister trip" weekends to many arts and crafts venues with her two sisters.

Ginger was the most loving person in all ways and would do anything for any family member, friend or work companion. She will be missed very dearly by everyone. Heaven has received one of the greatest human beings God ever made.

“ *I had the honor of taking care of Ginger over the past year and a half as she received chemotherapy. She faced cancer with courage and a determination that was inspiring. She never lost the will to fight even as her condition declined. Ginger was always willing to talk with others in the chemo room to offer words of advice and encouragement.*

*I will miss her and so wish the outcome could have been different.
Rest in peace now Ginger.*

“Ginger was simply the best person I have every known. The past four years have been so difficult for her and her family and friends. But she never changed from the Ginger we all know and love. I have so many wonderful memories of the laughs we had and the tears we shared. I will miss her with all my heart.

“Ginger was simply the best. I got her into real estate back about 1979. She was always the most helping person, always quick to catch on. I hadn't talked with her in years, but was amazed by her career and family. I will truly miss her knowing she has passed. RIP Dear Ginger, I know your in a good place. Chuck.

“I've only had the privilege of knowing your precious Ginger for a few years, but from sharing baseball games, watching our grandsons Kane and Brayden play for the Bluejays, I knew from the minute I met her, She was a very kind, loving and genuine person and I was always so happy to see her. My heart goes out to you especially Ben as well and your precious Mother and Aunts Frances and Barbara. You will all continue to remain in my thoughts and prayers. “My deepest sympathy to her family and friends. I knew her for about 37 years professionally and she was always intelligent, good, kindhearted, and thoughtful. She was a true professional that I greatly enjoyed working with and I recollect hearing many customers and co-workers express similar sentiments over the years.

“ *I have never forgotten a kindness Ginger extended to me a number of years ago. One weekend on a Sunday, my wife Shirlee and I had to have our beloved 16 year old Border Collie put to sleep. This was very difficult to do and we were devastated. Early Monday morning when I arrived at the office, Ginger expressed her sympathy and I broke down. She was kind enough to send me home for the rest of the day.*
