“ We were sad to hear of Walter's passing. We had worked together for several companies and always enjoyed working with him. Once, at Cameron Iron Works, he and I organized a bar b que for the Engineering group and he made the bar b que for the group. That was as far as I know the only outing held for the company. If you are ever in the Austin area stop by to see us.

“ *Walter was a fine mason and a good friend. I only wish I had more
time to have learned his craft. He was a great part of all that went
on in masonry and I for one will miss him deeply. He came to my
house to investigate me to become a mason along with Danny, and
Ken. I share my deepest sympathies to Barbara and the family. I
have walked in your shoes and know how it is to lose a spouse. Let
me know if there is anything I can do.*
sincerely,
Steve

“ *What a loving father and husband. Mr. Klahn always made me feel
welcomed any time I stopped by, or called to talk to Carol. I know
that God is waiting to welcome him home in the same manner that
Mr. Klahn extended kindness and warmth and laughter to those of
us who had the honor of his presence.*
