“ One of the most influential men I ever knew. Influential for the right things; the right decisions; for right thinking. Because of Mr. Walter Meyer, many young men of Rosenberg, Texas had the opportunity to grow up learning how to be self-reliant, believe in themselves and to achieve their dreams. Because of Mr. Walter Meyer, many fathers had the opportunity to be "Dads", to be leaders in their community and good men of faith and family. His influence ranged across the community state and nation as boys of Pack309/1309, Troop 309 grew up to be the good men of our nation.

God Bless Walter Meyer.

“ Auntie Gladys, Donna and family, This is the hardest note I've ever written. I loved Uncle Walter and all of you from the bottom of my heart and I know how deep the grief runs. But I also remember all the good times with Sunday dinners, Easter Egg hunts, Christmas and all the good he did with his life. I a so glad we visited on Easter. Uncle Walter always lead by example and I only hope I can live up to his example.

“ He was a man of dedication to God, country, family and community. And the champion of champions when it came to scouting. As a child when I would see him at church I remember thinking he must be a man that eats his Wheaties every morning because he had energy for everyone and everything. He will be missed by this community!

“ I did not have the opportunity to get to know Walter, but in my many conversations with Donna I came to feel I knew a little about this man and I truly admired his fight all the way through his illness. My kids tell me that a parent is judged by the kind of kids he/she raises. That would make Walter an exceptional man!
