“ Wanda was my first person that I hired to represent Keith Distributing Company back in 1986 as a salesperson. She was my top salesperson and more than that, a wonderful lady that represented our company well and was beloved by all of her customers. She never compromised her values and was always an inspiration to everyone at our company! I have many fond memories of our time together and know that she can now rest in the arms of our Lord. She was a great lady and I'm happy that I got to share part of my life with her!
Best wishes and strength for her family. Richard Faubion

“ Our condolences to Wanda's family; the loss of a love one who is suffering from pains of cancer is a bitter/sweet loss - sad she is gone, but happy she is in Heaven with a healthy body and no pain. Even though we know someone is dying, it is still hard to prepare for that day. When I got the call, I saw on my caller ID it was "Wanda Gregory", so I answered it "Hi Wanda, how are you?", but it was her granddaughter, Leah, telling me of her passing. We miss her, but she will live on in our memories as she was a sweet sweet lady and good friend.
