

Wanda Anderson Oropeza

January 8, 1962 - August 14, 2023

Wanda Anderson Oropeza, 61, of Victoria, Texas passed away on August 14, 2023. She was born on January 8, 1962 in Houston, Texas to Willis Dan Hobizal and Gloria Ann (Tvrdik) Hobizal.

In the gentle embrace of time, we gather to honor the life of Wanda, a remarkable soul whose days were graced by the simple joys that truly mattered. Wanda's unwavering devotion to her loved ones and the quiet pleasures of life formed the heart of her journey.

Wanda found her greatest joy in the company of her cherished grandkids. Their laughter and innocent wonder breathed life into her days, creating a bond that was as unbreakable as it was heartwarming. She reveled in their stories, nurtured their dreams, and watched them grow with pride shining in her eyes.

Amid the canvas of her well-tended garden, Wanda found solace and purpose. Each morning, as she watered her grass and tended to her plants, she connected with the earth's beauty and shared in its life-giving rhythm. Her hands possessed the gentle touch of a guardian, coaxing vibrant blooms to unfurl and lush greens to thrive.

But Wanda's heart was most complete when surrounded by the embrace of

family and friends. Whether gathered around a table, sharing stories and hearty laughter, or simply enjoying quiet moments of companionship, she understood the true richness of life's treasures lay in the warmth of those she held dear.

Wanda's legacy lives on in the hearts of all who knew her. Her ability to find happiness in life's simplest pleasures serves as a timeless reminder that joy is found not in grand gestures, but in the precious connections we forge. As we bid her farewell, let us remember Wanda for her boundless love, nurturing spirit, and the legacy of warmth she leaves behind.

“ *My dear neighbor Wanda,
Although it seems like yesterday I saw you watering your plants and I would say to myself what patience you had watering your lawn with a sprayer attached to your water hose even though you had water sprinklers, I suppose if we all stop and appreciate the things god has given us especially the ground we walk on no matter how big or small we would have more peace within, I will always remember your favorite carrot cake ,but you've only gone to rest you will live in the the hearts of all your family and friends although you leaving so soon causes pain and grief you passing away has eased you from hurting and given you relief.
We pray for your husband, family and friends to have strength only not to forget you but-to accept your peace.*

“ From the very first day Rusty introduced us I knew we were kindred spirits. Our lives were so similar..... we had experienced joy, sadness, and happiness. When I think of you I immediately see your radiant smile, your humor, your fierce love for your family and last but not least a true Texas girl. I'm so glad I got to spend some time with you..... you are always in my heart.
