“ *Mr and Mrs Evans were like our second grandparents. We grew up with them. Mrs Evans taught me piano for many years and forever gave us candy. I had the pleasure of sharing the Evans with my children. They are deeply missed and no doubt smiling down on us*

“ *Neighbors for 31 years -- that's over half mine & Larry's lives. Couldn't ask for kinder, gentler folks to live by. We've missed not seeing them sitting out on their porch. Lots of good memories -- like looking to call our boys in for dinner, and finding them down talking to your folks.*

You are all in our thoughts and prayers.
