“ *So sorry to learn of Werner's passing. I retired in 2013 also and worked with him for many years in the Nalco Sugar Land Plant. I think the attitude someone shows at work, being helpful, cheerful much of the time in various situations, and generally just a good person to work with makes all our lives better. That is how I think of my working with Werner and having his help at Nalco.*

“ Kris Regret I am out of town and will not be able to attend the
service. I enjoyed working with String. I will always remember the
hunting trips when we went for the activities more than the hunt. His
smile & laugh will always be with me. Take care. Glenn Meuth

“ *OI String was a good man! We didn't spend much time at all outside of work, but always a joy to be around. All the craziness going on at the job and he would just mozy in with a smile on his face and get things done. Condolences for all the family. He is in a better place now for sure and will be missed. Called to the Lord way too soon!*
