“ Steffie, I was shocked and saddened to read of Wes's passing. I immediately started remembering the early times at UTA, and the times the four of us spent laughing and partying at meetings. I'm sure Wes and Warren are probably sharing some laughs in heaven right now. The hardest part is for those left behind. If I can do anything at all for you, please let me know. God bless you.

“ *There is never a day so dreary
that God can't make it bright,
And unto the soul that trusts Him,
He giveth songs in the night.
There is never a path so hidden,
that God can't lead the way,
If we seek for the Spirit's guidance and patiently wait and pray.*

*There is never a cross so heavy,
The nail-scarred hands are there;
Outstretched in tender compassion
The burden to help us bear.
There is never a heart so broken,
That the loving Lord can't heal.
The heart that was pierced on Calvary doth still for his loved ones
feel.*

*There is never a life so darkened,
So hopeless and unblessed,
That can't be filled with the light of God and enter His promised rest.
There is never a sin or sorrow,
There is never a care or loss,
That we should not bring to Jesus and lay at the foot of the cross.*

Stephanie, My thoughts, prayers, and love are with you.

“ You could put him in a suit, but he preferred boots and jeans. Once
he gave me a pair from his closet, even today they are the only pair
of boots I own. We had many things in common. The love of red
meat, a good cocktail, trucks and hunting. We joined the same deer
lease together some years ago and after a review of my equipment
he determined it was not suitable for someone he would be hunting
with. Again he went to his closet brought out a deer rifle and
presented it to me. To this date it is the only deer rifle I own. Chirpy
loved hard work, as long as someone else was doing it and we all
loved doing for him. Stephanie, many good things in my life were a
result of having been married to your sister. Chirpy was one of them.

God bless you,

“ Stephanie,
Billy and I are so sorry for your loss. Chirpy is at peace now and will not have to go through any more hurt and pain. It is the ones left behind that are having a hard time dealing with his loss. I will miss making his favorite crunchies for him every deer season. We will miss him and hope and pray that you will be okay. Please let us know if there is anything we can ever do for you. You will be in our hearts and prayers.

Love, Mary and Billy

“ I was so sorry to hear the news. Wes, old buddy, you are in a better place where you will never know pain or suffering again not that you ever showed it or let anyone know because that was just the kind of great man you were! I will always cherish our friendship. It was an honor to be one of your friends. Harvest the 200 class buck in heaven for me! So long my good friend! We will miss you greatly.

“ Darrell and family,

I'm writing this for my Dad who can't, When I was a kid there was not a Saturday during hunting season that Wes didn't call the house, or him, Bill, and my Dad would be off hunting the Thompson bottoms. All 3 of you guys are a very big part of his life, I can't begin to tell you how much he talked about you all. He thought the world of you guys, so at this time please know you all our in our prayers. Our deepest sympathy- The Skarpa's

“ We have so many fond memories of our times with Wes and Stephanie. Our early days with UTA, the numerous VIP trips and company meetings. I will miss his constant harassment and endearing friendship. Dara's favorite times were walking into the hotel prior to the company meeting on Friday and meeting Wes with his blue jeans and boots and not a hair out of place and Steph at the bar drinking red wine. We will miss "Chirpie"!
