

Wiley H. Hatcher

May 26, 1934 - July 4, 2023

It is with great sadness that we announce our father, Wiley H. Hatcher, passed away peacefully July 4, 2023, after living a very full 89 years of life.

Survivors include one son – Sam Hatcher, two daughters – Sally Basiliere (husband Barry) and Dana Loop, one sister – Sandra Geronimo, four grandchildren – Nathan Hatcher, Neely Painter (husband Cory), Daniel Barber and Taylor Paulk (wife Mikki), four great-grandchildren – Aubrey Priem, Remy Painter, Nolan Paulk, and Sara Paulk, along with a host of other loving family members and friends.

He was preceded in death by his parents (Basil and Elma), four sisters (Joyce Pearson, Montell Dye, Ann Pybas, and Mary Lou Hatcher) and one brother (Jack Hatcher).

Dad had an enormous heart he shared with his family, friends and even strangers as demonstrated by the various stories people have shared with us. He will be remembered as being quick to offer his help, knowledge, and advice to those asking. He helped many people - not wanting any recognition or thanks. Respecting his wishes of not wanting anyone to “make over him” there will be no services. Instead, we ask you to gather with family and / or friends, share a meal, raise a glass of your favorite beverage (perhaps his favorite Scotch and soda or a martini) and toast his memory sharing how he

touched your lives. He will be missed dearly.

In lieu of flowers, you may make a donation to your favorite charity or The Pipeliners Association of Houston Educational Fund - which provides scholarships for deserving college students pursuing their bachelor's degree. “ First my condolences to the family of Mr. Wiley Hatcher. He was an amazing miracle to myself and my family. It was sad news to hear of his passing as I thought he would be around alot longer. The family may not remember me, but I used to work as a farm hand for several years in Richmond Texas. I was honored enough to receive his kindness as he gave myself and my girlfriend the opportunity to pursue higher education and a better life. Although we parted ways not on the best of terms Wiley was still a major part of my life growing up and to this day. He gave me a job when i was 16 that i could always rely on although it was hard work at times. I remember the sense of accomplishment I would feel at the end of the day. He would always start a conversation with "what do you know?" Which caused me to scratch my head at times, but eventually i started goving him random answers that made him smile. The things I learned and the memories I shared with the other farm hands will be cherished dearly. I would not have been where I am without his intervention and guidance. I regret not patching things up with him in recent years but I hope he lived happy in his last moments. He cared for me more than I thought he should and I will always remember and cherish those memories. Wiley from the bottom of my heart I'm sorry and I hope you can forgive me. I will keep the promise we made together and help another the way you helped me. If there is anything I could do to help the family please reach out. My name is Eric Reyes and my email is eric.s.reyes34@gmail.com. I wish the family good health and happiness. Sam and Nathan I hope you are grieving well.
