“ So very sorry to hear this news. My prayers are with Jim and his mom and all your sweet family today. I remember him as such a nice man. This is such a hard thing to go through, I hope the many memories you all have will be a comfort to you, just think what a great thing it will be to have your very own Angel watching out for you. I feel my own Dad with me still daily. May God bless you all

“ *Jim and Family,*

Melissa, myself and the girls are sorry for your loss. Your Dad was a good man and I considered him a good friend. I enjoyed the time I was able to spend with him playing golf. He built my first set of clubs for me. Your Dad was blessed to have you as his son. I know he took comfort in knowing that you would always be there to take care of him as well as your mother. You and your family are in our prayers.

“ *Jim and family. We are so very sorry for your loss. Your dad was a really great man. He was blessed in life in so many ways. I didn't get to spend enough time with your dad. However, I'm lucky that I have a good buddy in you and in your family through whom his spirit will continue on. You are all in our prayers.*
