“ *Berniece,*

I guess after all these years, Gene & I still had a connection somehow. I have been thinking about you guys the past few days, especially yesterday. This morning I went onto the internet and typed in Gene's name just out of curiosity and found his obituary! I am saddened by his passing, but I know he is in a much better place and is probably having a party with my parents in heaven. Gene was such a character - what a sense of humor he had and what an Astros fan. My thoughts and prayers are with you and your family.

*Love,
Sally*

“ You blessed me with your friendship and gift of sharing so many times and in so many ways that I cannot count them all. Sing now in the heavenly choir along with so many dear voices from the Silvertones that are waiting for us all.

“ Dear Mrs Garst,
You do not know me, but my Inlaws, Elmer and Geneva Knott were best of friends with Bob and Edith Garst for many years. Elmer was a landman with Amoco for 40 years and lived in Okla. City, Michigan, Midland, Ft Worth and Houston.
Edith and Bob were at our wedding and Rehearsal Dinner in 1977, and I will never forget them.
Please know that we are thinking of all of you at this time of loss. Although we do not know you, did not know Gene, or your children, we heard so many wonderful things about all of you
I wish someone would tell us how to get in touch with Bob and Edith's children. Thank you so much.
Warm Regards,
Tim and Kathy Knott
