“ I was saddened to hear of Bill's untimely passing. Bill and I grew up together and I still smile when I recall some of our times together.

Bill had a zest for life and a sense of humor that would make me laugh and press my buttons at the same time. He was truly one of a kind.

My condolences to Julie and all his family.

“ To the Kassab Family:

Our children, Cameron and Jill go to school together. We've known your family for many years through all the work Julie has done at Austin Elementary as well as Briscoe and Foster. Yours is the most admirable family and Bill had every right to be proud of each of you. Most recently, we spent a great deal of time at the Briscoe Science fair talking about the machines he's helped his children build through the years. He gave us good advice and he was so kind to my son and I. Please tell Jill that Cameron Sims sends his heartfelt condolences to her over the loss of her father and know that our thoughts and prayers are with each of you.

*With deepest sympathy,
Paula and Cameron Sims*

“ Raymond and I will miss Bill very much. He was the best of neighbors.

Always had a sunny disposition and could always get me to laugh. I really liked his tales of going to Catholic Schools and how he met Julie. Julie, the love of his life, he never missed a chance to tease or remark on how much he liked her curves!

Raymond will miss having Bill to put up Christmas lights with as they always had to work out how to get the lights to meet in the middle from both of our yards.

Bill was very proud of his children. He would relate the latest news of each whenever we would see him.

We hope that all of the happy memories that each have will comfort and sustain his family in this time.
