“ Every time we made fun of my mom's driving, she would smile proudly and tell us the time that Mac taught her how to drive, and it was a 5-speed! I can see them now, burning up the roads in Heaven. Rest In Peace, sweet Mac.

“ I never met "Mac" but if Bekki's infectious smile is any reflection of his love for her, he was a truly wonderful man. She is a dear lady. Bekki, in time you must come out and play with us!
