“ *Frank McGee was a colleague when he worked as a manager at the Frito-lay facility. His career at Frito-Lay was remarkable in that he worked his way from being an operator to retiring as a manager at the Rosenberg plant. His processing expertise, caring disposition and leadership is what comes to mind when I think of Frank McGee as a manager. On a personal note, he was a friend to all in the Frito-Lay family and will truly be missed. RIP Mr. Frank McGee.*

“ *To the McGee family,*

*I worked with Mr.McGee for many years. If it had not been for his
support and leadership I don't think i would have made it through
my difficult times at Frito Lay. There will never be another like him.
He was always a very caring, un-selfish, and heart warming
individual. People as himself come once in a lifetime. MAY GOD
BLESS YOU AND KEEP YOU ALL.*

“ Hello to all,

My name is Juan Martinez and i had the pleasure to work with Frank for at least 8 yrs @ frito lay. It saddens me to hear of this huge loss to not only his family, but our family as well. Frank was always willing to help out in any circumstances wether it was work or personal. I learned alot from him, and i was always motivated, and encouraged by him in a positive way. He always told me to always love the people who love you, and also help out others no matter what. And always love your family unconditionally. I know that he is in a better place now, and we will see each other again. May GOD BLESS all of his family and friends.
