“ *Mr. Pitts had a kind & gentle spirit that melted our hearts every time. When he smiled it would light up the whole room! Lynette was preparing to make him some turkey soup, that they had visited about, for his next dental appointment. Mr. Pitts will be greatly missed by his friends at the dental office. Our thoughts & prayers are with your whole family!*

“ *Mr. Pitts was my patient at the dental office as well. He always told me he was reluctant to see me, but I know he looked forward to our visits! He had plenty of stories to share with all of us through the years and we felt humbled he allowed us to see a little of WHO he really was. I saw him recently and he commented that it was through prayer that he lived all these years of life. We will miss bringing him puzzles that he loved to solve, and we will miss the opportunity to visit with him. Our prayers and sincere condolences are with the family.*
