“ *Rosalie. i cannot express my sadness when i heard the news about Bill. It seems only a short time ago we were in the Karoke hall in Brenham singing and now he's gone. Linda and i were on our way to Seattle when Steve called and we got to Brenham the next day and were able to attend the service but had other duties to attend to so we were unable to attend the gaveside service or the gathering afterwards. I'm heading back home at the end of the week but wanted you to know my thoughts and prayers are with you and your family*
