“ I always meant them in Walmart parking lot_ August ran in the store and Willie Mae would be sitting in the car waiting on her husband. I would always go up to her and talk to her for a while, she always made me feel special and talked to me. Mothers are always special to our hearts and will always be in our hearts. She will be missed. Much Sympathy, Becky

“ I was really sad to hear the news that Willie Mae passed away. My mom and I went to visit her about two weeks ago. She always made me laugh. I will miss that. She would always shake my hand when I would leave and say "I like you!" I will never forget that. I like you more, Willie Mae! You will be missed.
